- Lack of parks
- Lack of pocket parks
- Needs more focus on Mays Island and Plaza Park 2
- Youth recreational opportunities 1
- Baseball Diamonds 3
- Amphitheater 4
- River Usage 4
- Parks - no comments about Use and Description 1
- Too much open space, sacrificing houses for open space 2
- Remove 5 in 1 and add new dam below island or Sinclair to give boat access to downtown city
- More Docks
- Parkscape - Cedar Lake Area
- Move Green Square park closer to river
- Develop Green Square Park and Library (?)

Others, Unique: (14 dots)

- Acknowledgment of historic facilities 5
- Plan is not all encompassing needs from Edgewood Rd down 4
- Aggregate Plan that includes all three scenarios
- Missing library (making CR a destination) 4
- Federal Courthouse not accounted for 1
- New Court House - impacts a lot around it
- Allow for Expansion of Newbo and Czeck village
- More Info
- 1st Ave between 10th and 19th streets business area supporting colleges
- Housing infill east side to support medical centers
- No focus on neighborhoods 3

People Streets, Trails, Walk and bike paths: (9 dots)

- Expansion of Trails outside of downtown missing 2
- Lack of trails to the West 6
- Expand bike trails 1

Pedestrian bridge over the river
Trails continue on to Sac & Fox
Trails not extended far enough beyond river
Trail connectivity on the north side up to Seminole Valley/Usher Ferry
River Loop trail system missing both inner and outer
People street missing to connect Mt. Mercy, COE & Downtown
Connectivity to Shaver Park
Pedestrian connections to Vets Memorial Ice Arenas

Environmental: (9 dots)

Improve Odor and Smells of Downtown 2
Odors from Mt. Trashmore and industry 3
Doesn't address environmental concerns about Sinclair 4
Environmental concerns about landfill

Connections: (8 dots)

Connection to I380 (lack of gateway, unknown destinations, signage, esthetics, appearance) 3
East to West Vehicle bridge north of 380 1
Connection from Southeast to Westside 1
Transportation/buses in Rompet Area 1
People connects: Seminole Valley to Cheyenne Park (bike, walk, boats) 1
Parking 1
Parking isn't addressed
Where is parking going to be?
Grade separation of 4th street tracks
Maintain traffic flow
Traffic bridge up north
Use 7th or 8th as Gateway due to interstate
5th street where does it go on the southside
Gateway Street leading to and leaving downtown 3
Unclear plans for 2nd Street (Pedestrian only or all along with cars
South Gateways didn't connect
Pedestrian Bridges over Ellis and/or 6th Street
Link from new pedestrian bridge to trail around Cedar Lake

Flood Protection (6 dots)

Flood Protection in Rompet Area 3
Temporary flood protection for Rompet 2
Storm sewer - drainage 1
Removable flood wall at north end of Westside river trail

Doesn't address residential redevelopment 3
